### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Gordon M. Kessler on 18 May 2004.

The application has been amended as follows: In claim 8, line 1 of the claim, delete "8", and insert --7--.

### ***Allowable Subject Matter***

2. Claims 1-17 are allowed.
3. The following is an examiner's statement of reasons for allowance: Hayes does not teach a method for saving and restoring operational settings of a test instrument run by software that includes initiating a saving operation for saving a set of values reflecting settings and adjustments to a test instrument, determining each of the internal variables belonging to each of a plurality of hierarchical software objects, saving the determined results to a file in a hierarchical structure corresponding to the hierarchical structure of the software objects, recalling the file on a test instrument different from the test instrument from which the variables were stored and setting the operational settings of the different test instrument in accordance with the variables.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

Art Unit: 2857

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
